>Lovely Split level home in excellent condition. This home features newer eat in kitchen with lots of cabinets, Corian counter tops, tile floor and back splash. It has newer windows, siding and doors. There is a formal living room and dining room plus a large family room with access to your fully fenced in yard. There is an above ground pool for summer fun, a large deck for bbqs and a great location close to everything. This home has 3 nice sized bedrooms with good closet space. There is also a partial basement which is partial finished. This home would make a great mother/daughter set up. There is oil heat but tank above ground and gas in street easy conversion to Gas but currently owner says they never found the need. Please call for a private showing.
